## **Butterfly London**

We are an exquisite hair and make-up boutique based in London's St Paul's and Bank. We have a range of hair and make-up offerings to make you look and feel fabulous. If you work in central London and you're trying to organise your wedding, it can be hard to find the time. Our freelance professional hair and make-up artists are here to help. We can organise your hair and make-up trials, help get your skin radiant for the big day and advise you on the widest range of looks and styles to meet your needs.

All our hair and make-up artists are highly trained professionals, hailing from the best academies. As well as working at Butterfly they freelance in the industry across film, television, fashion and theatre. They all have strong credentials in wedding styling and will work with you to create a look that you love.
