## Paul Antonio (Calligraphy & Bespoke Stationer)

Paul Antonio Scribe produces the most sumptuous wedding invitations, maps & save the dates using delicate flourishes and subtle line illustrations with beautifully hand calligraphed envelopes and place cards.

Our handwritten calligraphy for envelope and invitation addressing, place cards, menus and table plans are handled by an experienced team of calligraphers with an extensive range of scripts that is second to none. We can even construct a calligraphic script specific to your event.

Our stationery is constructed from our own hand written calligraphy creating something that is truly unique and specific to you. The design is centred around your tastes in colour, script and illustrative elements. Our belief in the interaction of script, paper and print process is what drives the design and final execution. It's about the lettering!

Our clients corporate include Jo Malone, Tiffany & Co, Asprey, Ralph Lauren and Smythson's of Bond Street. Personal clients range from numerous Royal Houses to fashionistas and supermodels.
